Excellence in service is claimed by many companies but actually offered by a select few. **Medivest's** experience as **professional MSA administrators** provides us with a unique perspective, learned from **administering MSA allocations** and **medical custodial accounts** since 1996.

A **Professional Administration Agreement** requires that a predetermined amount of money be transferred to Medivest to be administered on behalf of the injured person for future medical care and other needs.

Benefits of Professional Administration

-  Reduces E&O / Malpractice Exposure
-  Increases total fees realized at settlement
-  Acts as an advocate for the injured person
-  Protects future Medicare Entitlement if applicable
-  Ensures that funds are spent down according to allowable guidelines and state fee schedules
-  Prepares annual compliance documents and reports to Medicare if applicable
-  Eases complexity fo medical bill payments
-  Negotiates fees for medical services, future surgeries, hospitalization and pharmaceuticals to preserve account funds
-  Administration fees can be negotiated prior to settlement to be paid by other party
-  Accounts may be funded with a structured settlement annuity providing cost savings over the live of the account
-  Structure Settlement Annuities can be tailored to the injured person's future medical needs
-  A lump sum settlement issued to the injured person may be the quickest way to settle however it does not insure the money is there when medical services are needed. Medivest's professional administration services guarantees to preserve, protect and stretch the approved settlement dollars
-  Our professional administration team will coordinate account setup with all appropriate parties if requested

Medivest is a relationship focused company that cares deeply about our clients and is dedicated to providing them with the best customer service, settlement solutions, and post-settlement administration in the industry.
